### Terms of License

The Initial Term commences on the Delivery Date and continues for a period of one year, after which will renew perpetually on an annual basis unless or until terminated or cancelled. This is a non-transferable license. The Energy Investment Handbook is a corporate license which may be distributed internally and stored on a local area network.

### Terms of Payment

License Fees and applicable sales tax for the Initial Term are invoiced on the Delivery Date and are payable thirty (30) days from the date of receipt of invoice by the Licensee. Payment may be made either annually or quarterly. An RSEG representative will contact you shortly to arrange your preferred method of payment.
